EMPLOYMENT OPPORTUNITY

PROJECT ARCHITECT

PRAXIS3 is an award-winning 75-person architecture firm, located in downtown Atlanta. We are looking for a Project Architect/Job Captain with 3 to 8 years of experience on ground-up buildings and technical renovations. Licensure is ideal but not required.

The ideal candidate will have extensive expertise with commercial buildings ranging from 5,000 SF to 250,000 SF. PRAXIS3 offers a great environment for professional growth and career advancement. Our retail projects offer the ideal opportunity to practice in a fast-paced environment with a great group of talented architects.

PRAXIS3 architecture + multidisciplinary design is located in the Fairlie Poplar district of downtown Atlanta. We offer a very competitive compensation package that includes salary, overtime, bonuses, and a generous benefits package.

PRAXIS3 is currently operating on a hybrid schedule: in-office Monday–Wednesday and remote Thursday – Friday.

Job Description:

- Professional degree in Architecture. BArch or MArch is preferred but not required
- Proficiency with Revit
- Experience in the preparation of architectural contract documents
- Ability to effectively communicate with clients and project team
- Experience working on new construction and technical remodel projects
- Proficiency with architectural detailing and consultant coordination
- Experience with construction administration
- Experience with LEED a plus
- Willingness to learn and grow as an architect!

We offer:

- A very competitive compensation package (salary, overtime, bonuses)
- Competitive benefits package
- 401K with full match allowed
- A structured learning environment with design and technical discussions on a weekly basis.
- All-staff meetings every Friday to review projects around the country. Local group job site meetings to review projects under construction as an office.
- Monthly social companywide outings – Braves games, bowling, museum visits, etc.
