Our retail projects offer the ideal opportunity to practice in a fast-paced environment with a great group of talented architects.

PRAXIS3 architecture + multidisciplinary design is located in the Fairlie Poplar district of downtown Atlanta. We offer a very competitive compensation package that includes salary, overtime, bonuses, and a generous benefits package.

PRAXIS3 is currently operating on a hybrid schedule: in-office Monday–Wednesday and remote Thursday – Friday.

Job Description:

- 8-12 years of professional experience proactively managing successful projects
- MUST KNOW REVIT – with experience managing a team working in Revit
- Experience in the preparation of architectural construction documents
- Ability to effectively communicate with clients and project team
- Experience working on new construction and technical remodel projects
- Experience with architectural detailing and consultant coordination
- Experience with LEED a plus
- Experience with automotive dealerships or retail rollout a plus
- Ideal candidate will be a registered or actively working towards registration

We offer:

- A very competitive compensation package (salary, overtime, bonuses)
- Competitive benefits package
- Parking allowance
- 401K with full match allowed
- A structured learning environment with design and technical discussions on a weekly basis.
- Generous assistance with IDP and ARE – both financially and with training.
- All-staff meetings every Friday to review projects around the country. Local group job site meetings to review projects under construction as an office.
- Monthly social companywide outings – Braves games, bowling, museum visits, etc
- Long term opportunities for growth and professional development
